

TRANSFORMING THE FUTURE THROUGH HIGH QUALITY, LEARNER-CENTERED TRAINING

NZ CERTIFICATE IN INFRASTRUCTURE WORKS (LEVEL 2)

The New Zealand Certificate in Infrastructure Works - Level 2 (IW2) is the first step in your career within the Civil Infrastructure Industry. It will give you the skillset & knowledge to work safely onsite & with others, under direct supervision.

This qualification is for you if you are starting out in your career & want to start working within the industry. You may have come from school, another pre-trade industry or are without a qualification.

It is ideal if you are wanting a start in the industry working under direct supervision in:

- Civil works
- Surfacing
- Underground utilities

COURSE DURATION

The course will run for 14 weeks (full time) or 20 weeks (part time).
